Dear Parents,

Welcome to the 2019-2020 school year. I am looking forward to having your child for Health and/or Physical Education. My ultimate goal is to teach our students to be respectful, responsible citizens, with the skills and knowledge that will allow them to lead healthy, active lifestyles.

**My Health & Physical Education program:**

1. Supports the development of a well-balanced individual by providing opportunities to develop not only physically, but also socially, mentally and emotionally.
2. Provides a learning environment that is active, challenging, fun and safe. It gives the students a chance to master various skills and concepts at their own pace.
3. Promotes learning values of community, such as teamwork, cooperation, good sportsmanship, respect for rules and acceptance of others.
4. Enhances physical competency, health-related fitness, self-esteem, enjoyment of physical activity and cognitive skills (problem-solving, decision-making and critical thinking).
5. Fosters discipline, responsibility and perseverance.

**Grading: Physical Education**

Students are expected to wear a uniform for Physical Education class. This includes sneakers, Anne Frank PE T-shirt and navy blue sweatpants/shorts. Grading will be as follows:
